

Artiste: AMBERHAZE

TECHNICAL RIDER & EQUIPMENT DETAIL

The tech rider requires minimal setup due to the portability of the laptop/synths. The following are required on stage during setup and performance:

Setup:

- 1x Heavy duty keyboard stand (*must be able to withstand the weight of an 88 key keyboard*)
- 1x Guitar stand
- 1x table for laptops and mini synth. The table should be narrow and long
- 1x chair or piano stool (preferred)

Microphones/Monitors:

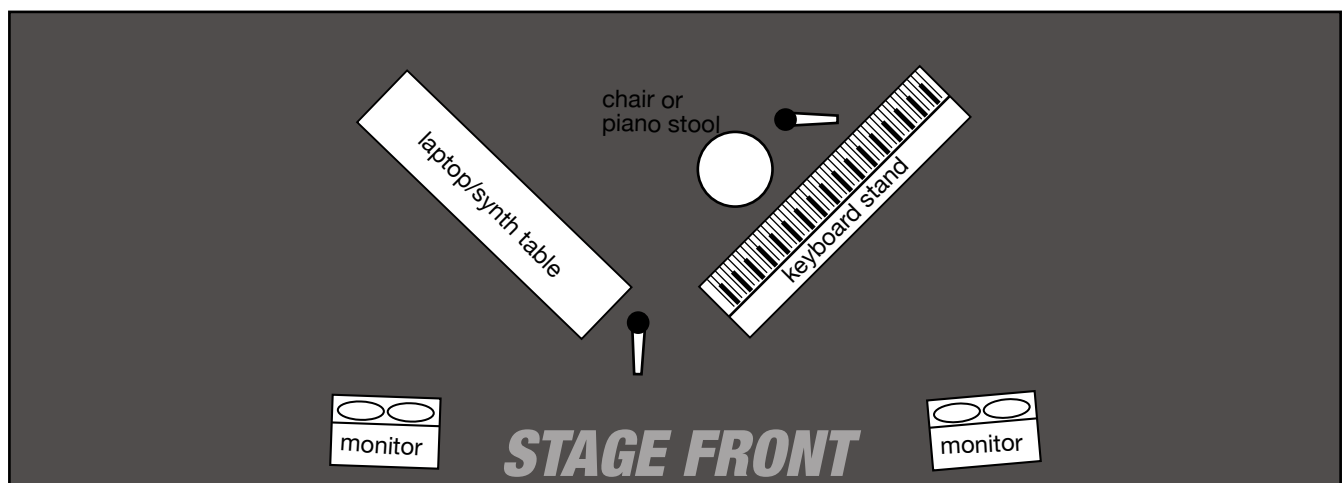

- 2 X Vocal Microphones with Individual stands on stage (Shure SM57 or Shure SM58 mics preferred)
- Foldback Monitors:
1 X working Monitor at stage front. (2 monitors if stage is large enough)

Miscellaneous:

- 4 X 1/4" Instrument Cable leads connecting the laptop's USB sound devices to the house PA

OR

- enough DI boxes to send 2 stereo sources to house PA. (*NOT INCLUDING VOCALS*)
